crochet hook 30mm、scissors、wool needle、stich marker

| crochet symbols                                                                     |                       |
|-------------------------------------------------------------------------------------|-----------------------|
|  | chain                 |
|  | single crochet        |
|  | double triple crochet |
|  | slip stitch           |

o ...start

① For the bottom, mark the 41st stitch of the chain stitch, and knit as shown in the diagram.

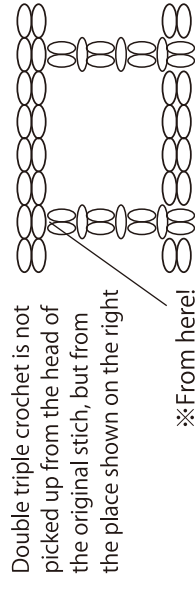

After knitting 2 to 3 rows, iron it with a steam iron to adjust the shape. If you use a steam iron frequently, the finish will be beautiful.

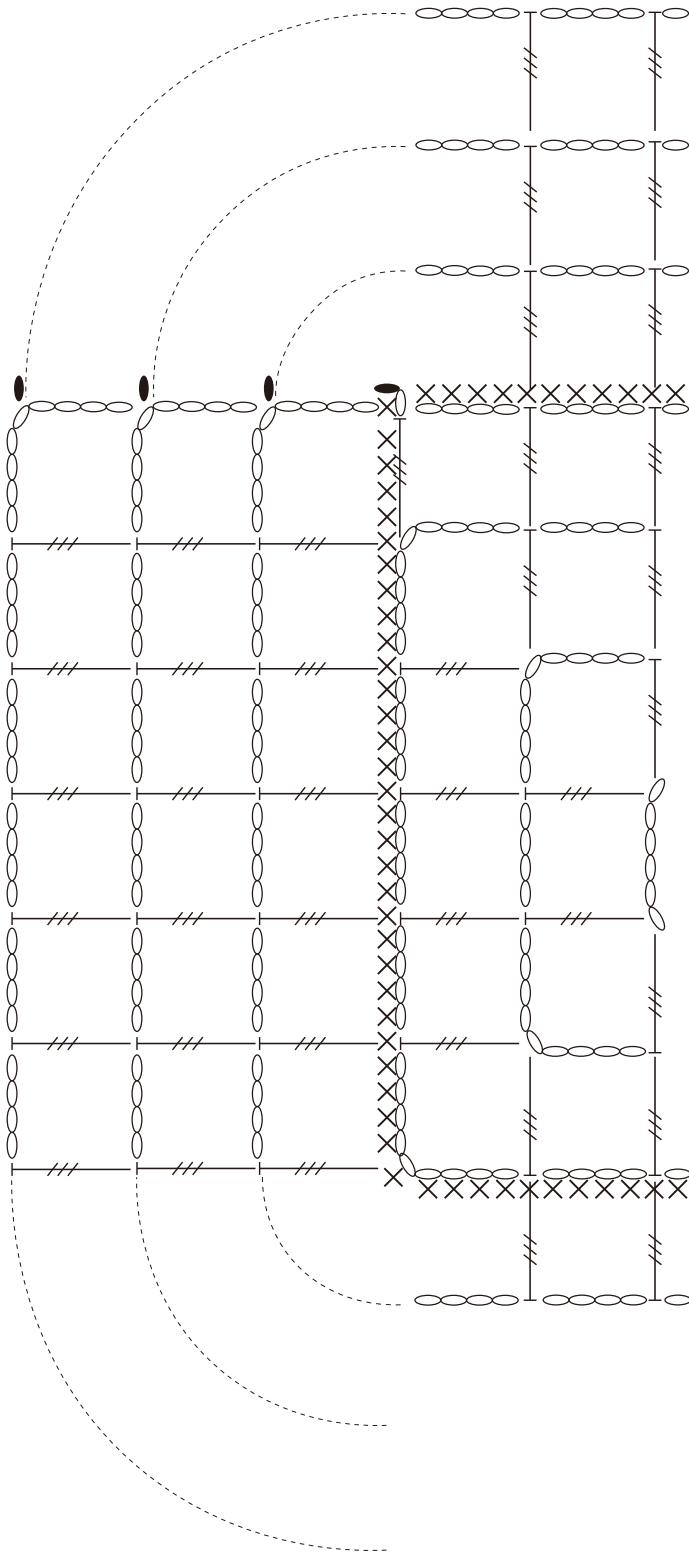

② After knitting 6 rows, turn the knitted fabric over and single crochet one round.

At that time, pick up the 3 points of the double triple crochet and the corner with the x mark and knit the stitch. The rest of the chain knitting part is knitted in bundles.

\*Because neuchet raffia is a natural raffia, there are variations in thickness. When picking up eyes, he tries to pick them up from places where he can get more than one.

CHECK!!

① Knit the sides. Return the knitted fabric and knit as shown.

- ① Knit the side up to the 13th row, knit the 14th row as shown in the figure, and knit the handle as it is. The handle is made with 50 chain stitches.
- ② Turn the knitted fabric on the 15th row, slip stitch main body, And the handle is knitted with a single crochet.
